DEVOTION

Day of Encouragement I Thessalonians 5:14

First responders show dedication and courage daily by being on the front lines when disasters occur. In the attack on the World Trade Center in New York in 2001 when thousands of people were killed or injured, more than four hundred emergency workers also lost their lives. In honor of first responders, the United States Senate designated September 12 as the National Day of Encouragement.

While it may seem unique that a government would declare such a day, the apostle Paul certainly thought this was needed for the growth of a church. He commended the young church in Thessalonica, a city in Macedonia, to "encourage the disheartened, help the weak, be patient with everyone." Although they were going through persecution, Paul encouraged the believers to "always strive to do what is good for each other and for everyone else." He knew that as humans, they could be prone to despair, selfishness, and conflict. But he also knew they would not be able to uplift one another without God's help and strength.

Things are no different today. We all need to be uplifted, and we need to do the same for those around us. Yet we can't do it in our own strength. That's why Paul's encouragement that "the one who calls you (Jesus) is faithful, and He will do it" is so reassuring. With His help, we can encourage one another every day.

Jesus, thank You for the encouragement You give me each day. Show me who I need to encourage as well. Amen.

Quote from one of your Council Members:

Don't be AFRAID, be AWARE!

This fits very well with Karen's devotion. We need to be aware not only of our surroundings during this latest Covid outbreak, but to also be aware of who needs encouragement and help to cope with the changes to our world, daily lives, and the way we worship.

PANAGRAMS

A **panagram** is a sentence that contains *every letter of the alphabet*. For example: "The quick brown fox jumps over the lazy dog."

This panagram required 35 characters to squeeze in all 26 letters of the alphabet.

Can you write a panagram with fewer than 35 characters? Try it — even if it takes 40-50 characters. Proper names are not allowed. Write your sentence here:

Solution:
 Top row — 4, 9, 5, 16;
 second row — 1, 7, 11, 2;
 third row — 15, 6, 10, 3;
 bottom row — 1, 12, 8, 13.

SQUARE MIND-BENDER

Add four numbers in any direction and you will get 34. If you can put the correct numbers from 1-16 in the empty squares. No number should be used more than once.

MAKE A LIST!

It's August and since the word "August" has six letters, let's make six lists of six things. On another sheet of paper, make your lists of six. An example is provided.

Beaches: Long Beach, Myrtle Beach, Laguna Beach, Crystal Beach, Cannon Beach, and Pebble Beach.

1. Cities that begin with A
2. Types of trees
3. Items in a suitcase
4. Fictional characters
5. Types of drinks
6. Items held in one's hand or hands when playing a sport

A Prayer for Teachers

Dear God,

As countless teachers begin to prepare for a new school year, grant them an abundance of Your wisdom. Prepare their hearts to welcome and love our loved ones; may we make sure to show them love and respect in return. Give them grace as they help students who aren't thriving, courage to say what needs to be said, tools and knowledge on how and when to speak love and strength when they feel weak. When they feel unseen, remind them that no moment goes unnoticed. They are shaping the future in one million small --yet incredibly important--ways every day. We are overwhelmed with gratitude for the gift of learning they share with our children. Bless them, Lord, and may they see even just a glimpse of how their faithfulness will forever impact generations to come. Amen

TREASURER'S REPORT:

Instead of giving you financial information, there are some other things to relate to you.

Well.....I'm tempted to say "here we go again", but that would not be entirely accurate. As cases of the Delta variant of Covid 19 increase across the country and here in Vilas County, there are concerns for the safety of our church family.

We have been Blessed here at Shepherd as far as cases of Covid are concerned. The cleaning, sanitizing, and safety measures we have had in place since early in 2020, have kept us all relatively safe.

So once again we are stepping up our efforts in cleaning and sanitizing the church between uses. We are not going to greatly change how we gather here at Shepherd in response to the slowly increasing number of new cases. Some small changes to how we collect offerings and how we present communion are already being put in place.

We are going to remind you of some of the safety measures we have let lapse in recent months before the Delta variant took hold.

1. If you do not feel well, even if you think it is just a cold, please consider worshipping online instead of in person.
2. Let's get back to reasonable social distancing. Leave room in the pews, in the communion line, in the dining room and at those tables. We really hate to give up all of those wonderful hugs, but please reconsider before approaching someone for a hug.
3. If you are un-vaccinated, consider going back to a mask for your own protection. It is not just the un-vaccinated who are getting sick. Even if you are vaccinated, but are in an "at risk" category, please think about masking.
4. Hand sanitizer is situated throughout the sanctuary and in the narthex.
5. For those of you who feel more comfortable worshipping at home, please let us know what we can do to keep you more connected. Bill is available for home visits and communion if he is invited.

At this time there are no plans to either close the church or cancel any of our late summer or fall events. Simple safety measures will go a long way toward keeping us all safe. Our plans for the Brett & Frisk Event, Pet Blessing service, and Polka service will continue until and unless our situation changes drastically.

So.....we will continue to worship and serve our communities and benevolences to the best of our ability during this latest twist in Covid cases. Our mission of service has not changed. This is just to remind you to keep in mind your health and safety.

Your executive committee and council have had plans in place since early in the Covid shut down phase. Due to some questions from congregation members, we are updating those plans and will share them with you via email, the bulletin, and the next newsletter. As we have for the past 18 months, we are receiving information from the Vilas County Health Department on a regular basis and are watching numbers just like everyone else. Your safety is a serious priority for all of us.

Sincerely,
Jean

*...and hope does not disappoint us,
because God's love has been poured into our hearts
through the Holy Spirit that has been given to us.*

~Romans 5:5

Dear People of Shepherd of the Lakes Lutheran in Sayner,

As our season of Hope continues, I pray that you have been sustained by the love of God in Christ Jesus that you find in each other and in our work together.

This past year and a half has taught us something about the community of faith, and how important it is. Through this gift from God of being church, we receive support, encouragement, fellowship, and partners in ministry. As we had to endure some isolation by pandemic restrictions, we appreciate all the more the joy of being together, and more than that, together in Christ.

Thank you for your financial support of the work of Christ that we do together as we accomplish far more than any one of us could do alone. The following designated gifts were received to date in the Synod Office in 2021:

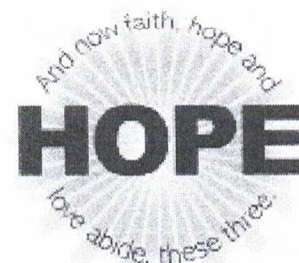

12/31/20	World Hunger - \$100.00	
02/01/21	World Hunger - \$260.00;	Seminarian Support - \$250.00

May God continue to bless your efforts, as you are together in worship, and as you are sent into the world to share the good news.

Yours in Christ,
