FROM OUR LLM

Just this past week, standing outside a friend's home on an area lake, I heard a sound that I have not heard in a long time, and it caught me completely by surprise. The call of a male Red Winged Black Bird. Almost hard to believe with all this snow on the ground and more to come, but he did it one more time for me, just to make sure I was not hearing things. Doesn't seem like much, but where I grew up, these birds and the migrating geese, were the first real sounds of spring. They arrived first to stake their claim on the best turf to nest, and raise their young. Regardless of the weather, be it like today, more like winter than spring, you always knew that spring was just around the corner. That out of the dormant dead of winter, new life will once more come forth.

Our Lenten journey was much like a walk through winter, but through it all there were sounds of new life to come. In the preaching, teaching, and stories of Jesus, words of instruction, hope, forgiveness, and love. And yet the journey grew darker and ended in the dormant dark of a tomb. But even then, in his final days, there were words of hope, love, sounds of new life. And we know that light and life was just around the corner, for on Easter Sunday Jesus rose from that dark and dormant tomb, to new life... eternal life, where there is darkness no more. And as we celebrate Easter each year our faith and trust in the risen Christ are renewed, as is our trust in the promise of life everlasting, eternal life in his name.

So, as the sights and sounds around us hold the promise of spring, I encourage you to live each day in the promise of our risen Lord, that through him there is light and life, and darkness is no more.

Alleluia Christ is Risen!
Bill

FROM OUR COUNCIL PRESIDENT

As I start this month's comments I'd like to first thank everyone who made this year's Holy Week and Easter services a blessing to all who attended. The decorations were beautiful and the music was inspirational. The Easter breakfast this year was also well attended. If I remember right, we more than doubled the number of folks who attended compared to last year. Thanks to all who were involved in this annual event.

Another thank you must go out to the decorating committee members for the work they did in deciding on new paint colors for our sanctuary. We were blessed to be able to get it painted before Easter. Personally I think the new colors look great and I have heard many other positive comments.

Remember that we are still interested in hearing from you regarding the landscaping at the front of the building. We do have a group who will be working on this but all are welcome to discuss their thoughts and concerns.

In the near future your council will be working on planning for the polka service which is scheduled for the first weekend in October. We have heard from some that they might be interested in having some type of outdoor event for a couple of hours after the service. What do you think?

The Brett and Frisk concert is also in the planning stages for August. This was a great success last year so make your plans now and tell your friends and neighbors about it also.

I cannot write these comments without mentioning Thursday morning Text Study. We have a faithful group of between 12 and 15 folks who read and study the readings for the coming Sunday. But it isn't the type of study you might be thinking of. We read the text and then the floor is open to any and all thoughts and questions anyone might have about what we just read. For me it is the best way that I have found to understand the scriptures. I have said, many times, that I have heard these readings for 65 plus years, but until I started attending text study I never really "heard" them. If you can find a couple of hours free on a Thursday morning starting at 9 AM please give it a try.

Our next council meeting will be held on April 19th at 6:30 PM. The council and endowment fund committee will hear from our financial advisor. As always, if you have anything you would like brought up at a council meeting, contact me or any other council member so your concerns can be placed on the agenda. I always encourage those with concerns to put their thought to paper and then ask to be placed on the agenda so that you can share them with the council in person.

I wish you all a very Blessed Easter Season
Doug Tarkowski

EVENING FELLOWSHIP DINNERS

A few weeks ago, I went out to dinner with two great friends, Jan Specht and Sharon Geist. Being the time of year it is, we were able to linger at our table and just visit for about 2 hours. We decided we needed to do this more often! So we set a schedule. On the 2nd Saturday of each month, we will go out to dinner together, picking a different place each time, or we could repeat places we've loved. Then we got to talking more about that and decided we should open it up to others to join us. So then we thought maybe we should invite just other single adults, or maybe it should just be women, but in the end, we decided we did not want to exclude anyone at all, so we are inviting everyone and anyone who wants to join us for fellowship to join us for dinner out on the second Saturday of each month. It doesn't matter if we have 2-3 people or 20-30 people, we will simply enjoy the fellowship each time!

If you would like to join us, just let one of us know... and if you have the name of a place you'd like to go for dinner, whether to try out a new restaurant or return to a favorite, send the name of the place to me and I will put them all in a basket and each month I will pull out one name and that is where we will go that month! I will post the name of the place we will go each month in the newsletter. We will always plan to meet wherever it is at 5 p.m. to hopefully avoid the worst of the crowds in the busy months.

Next month:

Saturday, May 12, 2018 – Knocker's in St Germain @ 5 p.m.

SENIOR MEALS

Spring is here, or so they say! But we all know it's coming so that puts us back in the mood to wander out a little bit, which means that we'll now start seeing more of our Seniors coming for the Prime Time Dining at the St. Germain Community Center. That's why we need your help!!!

With more people attending we will need more people volunteering to set-up and serve those meals. Meals are available Wednesday, Thursday, and Friday year round so if you are able to offer 3 hours of your time to help out on one of those days, please call Lois at 715-542-2881 to be placed on the schedule. It's not only fun but it's also very rewarding knowing you've helped folks in the community get a nutritious meal and have a chance to get out and socialize with others.

Thank you, Lois Ruediger

VITAL LINKS

Dear Council and Friends in Christ,

We would really appreciate a collection of **toothbrushes**.....mostly regular size but will need some smaller ones for the little guys. Need at least 50 more if possible as will pass out on medical outreaches too.

Following is a letter explaining the exciting news of joining forces with Awakening Lives to World Missions. As of May 1, 2018 we will become the medical wing of this nonprofit Christian organization. All donations will go through them designated for VLH. VLH will continue as a board to plan the medical portion of mission journeys to Vietnam and beyond. Pastor Bill Moberly will become our director and our president will be represented on their board. We have been praying for a solution to continue VLH into the future beyond us. This is an answer to prayer. We thank you for your ongoing support of our mission efforts and hope that also will continue into the future. The harvest is here and the workers are few!!

The new address for the donation process is explained in the letter. Proceeds will still go to Dr. Hang's medical outreach, Gospel House kids and we will still employ Mr. Van as our project manager in Vietnam.

AWAKENING LIVES TO WORLD MISSIONS

Dear Friends and Supporters of Vital Links,

I am Bill Moberly, the Director of ALWM. Perhaps many of you have heard the latest news from Tom & Carol Miles of VLH! If not, here is the announcement:

We are excited to announce that joyful things are happening with VLH! We are joining with Awakening Lives to World Missions, (ALWM) a non-profit focused primarily on evangelism and mobilizing congregations for Global missions. ALWM Director Pastor Bill Moberly and his wife will join our mission team May 30-June 14. We will guide them through all phases of our work in Vietnam. ALWM staff will take over all administrative duties, finance, website, newsletters, STM recruitment, applications, etc. We are so excited to know VLH will continue to grow in many new directions and be sustainable. The VLH board will, under the direction of Pastor Bill, continue to plan and develop the medical portion of short term mission trips and projects in Vietnam and beyond. They are already established in many countries including Cambodia, South Africa and others. We will continue to support our missionary, Dr Hang, with her medical outreach and Mr. Van, our Project Manager will continue to represent our interests and projects in Vietnam. We will continue to enjoy

and appreciate our wonderful team of Vietnamese volunteers who are always there to lend a helping hand.

So happy you share our desire to make a difference!

Thank You,

Carol Miles RN, BSN

Vital Links for Humanity, Inc

I am thrilled about this new door that the Lord has opened to bring our organizations together. The 20+ years of faithful ministry through the Miles', the ongoing work of Dr. Hang and her teams, impacting lives at the Gospel Kids home, outreaches to the villages, and training nursing professionals has changed lives both here and for eternity as we minister in Jesus' name. My board and I are committed to continuing the fruitful ministry of Vital Links, as well as expanding the reach and impact as the Lord opens doors and provides the resources. I understand that there have been others in Vietnam reaching out to VLH for help, too, so we pray that the Lord will transform more lives in the years ahead.

VLH will continue to be supported by gifts from individuals and congregations. We ask you to consider a special gift to help VLH in this exciting time of ministry expansion and change! There will be a few extra expenses associated with the transition. We also will begin to regularly send a print newsletter 4-5 times a year, sharing the stories of God at work in and through VLH throughout the year.

Beginning May 1, checks are to be made out to ALWM. Please use one of the enclosed coupons, or simply put VLH in the memo portion & mail to:
