HOMETOWN HOLIDAY CELEBRATION

The Sayner Star Lake Chamber of Commerce is planning a "Hometown Holiday Celebration" and is asking for all clubs, organizations and churches to unite for a community Christmas Party for the Town of Plum Lake.

The date is Saturday, December 3, 2022 from 4 p.m. to 9 p.m.

Hopefully, this would be done in conjunction with Christmas caroling. We have been asked to provide carolers. The carolers are open for ANYONE who likes to sing and have some fun and fellowship along with food!

The Planning Committee is looking to have ice skating provided it is cold enough to have ice.

- There will be fire pits in the park for s'mores and keeping warm and Santa will be under the Lions Pavilion near the ice rink.
- There will be hot chocolate, hot coffee and hot cider along with hot dogs, chili and mac and cheese.
- There will be a tent that will have chocolate, graham crackers and marshmallows so you can make your own s'mores.
- There will be pinecone birdfeeders and cookie decorating and possibly Christmas tree decorating (in planning stage yet).
- There will be luminaries along the road while a horse drawn carriage provides sleigh rides around town.

This is open to the community to celebrate our town so please save the date and plan to attend this wonderful event. Questions, please contact Barb Maines, 715-542-3501

WELCA

WELCA will now meet monthly at 1 PM on the second Thursday. All women attending Shepherd are welcome and invited to come! The next study guide is on the table in the Chapel.

RECIPE CORNER

This one comes to you from the "Feast at the Shepherd's Table" cook book.

Cream of Potato Soup

Diane Schalinske

Potatoes
3 Carrots
2 stalks Celery
1 med. Onion
2 cubes Chicken Bouillon
1 lb. cubed Ham
1 (16 oz) carton Half and Half
1 (16 oz) carton Sour Cream
1 stick Butter
Cornstarch & Water

In a 5-quart pan, fill ½ full with cubed potatoes, carrots, onions, and celery. Add just enough water to cover veggies. Add bouillon cubes and simmer until veggies are tender. In a separate pan, cook half-and-half, sour cream, and butter with a little water and cornstarch until thick and bubbly. Slowly add veggies and ham. Salt and pepper to taste.

SAFETY INSPECTOR

Doug and your Church Council are asking for a volunteer for safety inspections. This consists of monthly inspections of all exit and safety lights, the defibrillator, fire extinguishers, etc. It will only take a short amount of time once a month to run the checks. Please see Doug for more information.

And please be reminded that the interior doors in the church must be kept shut when not in use. In order to qualify for an exemption from putting in a very expensive sprinkler system throughout the church building, we have in place fire doors which do no good if not kept shut. It is very important that you keep in mind to shut all interior doors unless the space is being used.

While driving in Pennsylvania , a family caught up to an Amish carriage. The owner of the carriage obviously had a sense of humor, because attached to the back of the carriage was a hand printed sign... 'Energy efficient vehicle: Runs on oats and grass. Caution: Do not step in exhaust.'

INFORMATION FROM YOUR TREASURER

Greetings Shepherd of the Lakes Family:

Just as the rest of our country has suffered the economic costs of Covid, inflation, disruption of supply chains, increased costs of everything including utilities, and just general financial uncertainty, so too have Shepherd's finances been a struggle. The reason why you are just now hearing about this is that while we were slow on donations through June, it was not a large decrease from last year and as usually happens, I expected things to get better during the summer months. It was not until I ran the 3rd quarter reports that the full scope of the shortages became apparent.

We have the reserves to keep us current on all of our bills and donations. Everything is paid in full. In March I had to pull \$30,000 from our Money Market account to pay bills after very light donations during the winter. In July I pulled an additional \$5,000 to keep us current on our donations to other benevolence organizations. In October I had to pull \$20,000.

The issue this year is the economy. When people have to spend the extraordinary amounts for gas and groceries that we are paying now, there is not as much left over for donations. We do recognize this and are making plans accordingly. The general funds donations this year as of September 30th are \$74,595 compared to last year at this time of \$137,806. That is a difference of -\$63,211 which explains the need to draw \$55,000 from Money Market.

We are, as of September 30th, operating *under* our budgeted amount by over \$6,000.

For most people right now, there is just not a lot to give. We have more funds in the Money Market account and in the general funds investment account. We will use them as sparingly as we can because they are not bottomless.

We are moving slowly and carefully into social media to attempt to let more people know that we are here and would love to have them visit (thank you Robert). We (thank you Ginger) are keeping our Facebook page up to date with current information. Eric is keeping the sign up to date (thank you Eric).

So many of you are so generous, not only financially but with your time and talents as well. This church has always thrived on service and community. That does not change due to the economy, even if it has to be scaled back. Thank you to all of you on Altar Guild, Doug for all he does to maintain our facility, Jim and Karen for their help in the kitchen and with pulpit, Jack for pulpit and bible studies, and all of the rest of you who do so much for our events and the everyday operations of our church. A sincere thank you for your service.

So here is what we are doing in addition to trying to expand our exposure to the public. The budget for 2023 is going to be based on the fact that donations are decreased.

- Salaries are remaining the same as they have been.
- Expenses are being cut drastically and any budgeted items that are not strictly necessary are going to be dropped.
- In this new reality of finances, we need to drastically cut our budgeted benevolence donations. We will not forget them, we are just not going to be budgeting general funds for most of them.

- We will continue to support the Northern Great Lakes Synod, Lutheran World Relief, and Lutheran Disaster, as promised.

I will be adding a chart to the bulletin portion of the worship guides to keep you better informed as to where we are financially.

- It will list weekly donations as they occur and as I get the reports.
- There will be a monthly report after I close the books for each month.
- This report will be listed in the bulletin and the newsletters.
- The newsletter will also contain more reports and a status update on a quarterly basis as I finish the quarterly financial statements.

We do have several methods of giving:

- The envelope books are in a basket on the counter in the narthex. There is a list next to them for you to record your number and name. And thank you Judy and all of the counters for all you do.
- Weekly passing of the offering plate
- Vanco monthly automatic payments available (see me if interested)
- IRA direct donation. If you donate from your IRA, please make sure the investment company lists on the check or check stub that it is from an IRA. There is an income tax benefit to giving that way.

So there we are. It's not all bad and yet not all good.
 Again, thank you for your generosity both financial and in service.
