I believe I can honestly say that this is the first time I have ever seen a positive net income amount for our church. I know that it has been this way in the past, but not since I started in the treasurer position.

We are adding new members consistently and our church is growing in a time that almost all churches are declining. A big part of that is how welcome visitors fee in our church.

The only reason that we are doing so well financially is your extraordinary commitment and generosity to Shepherd. Last year at March 31<sup>st</sup> we had a negative net income of \$27,499.61(meaning we spent that much more than we took in) and this year it is a positive \$9,287.90 during the slowest donation time of the year. This is an unbelievable difference. Thank you all, this makes my heart much lighter and a lot less grumpy! I think we have all

been in a position where at one time we had to limit the number of bills we paid to the amount in our checkbook, I know I have. It is a great relief to be able to sit down to pay the bills for Shepherd and not have to decide what to pay and what to hold back.

Perhaps the most encouraging thing for me is that we are in a position to transfer a large part of what I took out of our Money Market savings account back into that account out of checking. We withdrew \$55,000.00 last year and I will be transferring \$35,000.00 back. Part of that is your generosity, and part is sticking to a very slim budget. If you look at the second report you will see that we are only \$357.35 over the budgeted amount for general expenses. The unbudgeted expense on the bottom of \$1,191.97 is what it cost to bring in the new pews. Thank you all.

We have been missing the weekly donation reports in the bulletin due to some of our financial volunteers being out of town and then the crash of our computer. After 7 years it quit working and we have now replaced the CPU for a cost of \$1,290 and can reasonably hope this one lasts as long as the old one did. So next week you should find a deposit and attendance report in the bulletin and it will not be very long before I'll be passing on the financial reports for the second quarter. April and May have been very good and it looks like June will be as well.

With a grateful heart,

Jean

Treasurer

### No Greater Love

John 15:13 "Greater love has no one than this: to lay down his life for his friends."

Commemorations of the seventy-eighth anniversary of D-Day in 2022 honored the more than 156,000 troops who took part in the largest seaborne invasion in history to liberate Western Europe. In his prayer broadcast over the radio on June 6, 1944, President Roosevelt asked for God's protection, praying, "They fight not for the lust of conquest. They fight to end conquest. They fight to liberate."

A willingness to put one's self in harm's way to restrain evil and liberate the oppressed brings to mind Jesus' words: "Greater love has no man than this: to lay down his life for his friends." These words come in the midst of Christ teaching His followers to love each other. But He wanted them to understand the cost and the depth of this kind of love: a love exemplified when one willingly sacrifices his or her love for another person. Jesus' call to sacrificially love others is the basis of His command to "love each other."

Perhaps we could show sacrificial love by giving time to care for the needs of an aged family member. We could put the needs of a sibling first by doing their chores during a stressful week at school. We might even take extra shifts with a sick child to give our spouse extra time to sleep. As we sacrificially love others, we show the greatest expression of love.

?? In what way could I show sacrificial love today?

Father, please help me to look for ways I can love others sacrificially?
